Metropolitan Toronto Condominium Corporation No. 600

256 Jarvis Street
Toronto, ON M5B 2J4

Attention: Malcolm Broadbent

In accordance with the terms of our original appraisal service, we are pleased to provide you with an update of the insurable values of the referenced property. Please find attached our annual Update Summary Report for Metropolitan Toronto Condominium Corporation No. 600, located at 256 Jarvis Street, Toronto, Ontario. This update is issued in addition to, and not in replacement of, our original appraisal report dated August 26, 2008, and is subject to all of the General Service and Contingent and Limiting Conditions previously detailed within that document.

This current update was performed in order to assist Metropolitan Toronto Condominium Corporation No. 600, your property manager, if applicable, and your insurance broker, with the placement of property and casualty insurance. The effective date of our reporting is August 26, 2009.

As at the effective date of appraisal the subject property was being utilized as a residential high-rise condominium.

We have not re-inspected the subject property; thus any changes which may have occurred since the effective date of our last reporting, unless reported to us in writing, are not accounted for within our updated reported value.

The revised insurable values presented in this letter report represent the specified properties:

Cost of Reproduction New* (CRN) which is defined as *"the monetary amount required to reproduce property of like kind and quality at one time in accordance with current market prices for materials, labour, manufactured equipment, contractor's overhead, profit and fees, but without provisions for overtime, bonuses for labour, or premiums for materials."*

***Cost of Reproduction New (CRN)** is synonymous with the insurance industry's **"Replacement Cost New."**

Cost of Reproduction New (CRN) takes into account current market prices for labour, duties and freight, building materials and equipment, contractors' overhead, profit and fees, engineering and installation costs, as well as applicable taxes. It is exclusive of the cost of demolition, grading or filling in connection with removal of destroyed property or reconstruction.

We hereby certify that, to the best of our knowledge and belief, the statements of fact contained in this report are true and correct. The reported analyses, opinions, and conclusions are limited only by the reported assumptions and limiting conditions and are impartial and unbiased.

We have no present or prospective interest, nor any bias or personal interest with respect to the subject property, and no personal interest with respect to the parties involved with this assignment. Our findings are not contingent upon developing or reporting predetermined results, and our compensation for completing this assignment is not contingent upon the development or reporting of a predetermined value or direction of value that favours the cause of the client, the amount of the value opinion, the attainment of a stipulated result, or the occurrence of a subsequent event directly related to the intended use of the appraisal.

Our analysis, opinions and conclusions are in conformity with the Uniform Standards of Professional Appraisal Practice and the Canadian Uniform Standards including the Competency Provision. No one provided significant real property assistance to the persons signing this certificate.

The American Society of Appraisers has mandatory reaccreditation requirements and the Appraisal Institute of Canada has a continuing Professional Development Program. We verify that we are in compliance with these requirements.

All files, working papers or documents developed during the course of the assignment shall be our property and we will retain this data for at least seven (7) years.

If you require anything further please do not hesitate to contact our office.

On behalf of,
SUNCORP VALUATIONS LTD.

A handwritten signature in black ink, appearing to read 'Ken Hollett', with a stylized flourish at the end.
